

OEL 1918-63

12 December 1963

**MEMORANDUM FOR: Executive Officer
Directorate of Science and Technology**
SUBJECT : A Precis of OEL Organization and Activities

Attached is a precis of the Office of ELINT organization which was requested for use by the DCI, along with a short description of the activities that we carry on. The paper was developed with the idea of giving basic information which demonstrated the scope and importance of our activities without providing detail or justification for them. Further support will be supplied as requested.
